

## **Research Bulletin (RB)**

The Research Bulletin (RB), released once a year, is a convenient way to stay informed about the presentations and publications done in the department by the Staff and Research scholars. All the research papers which got published in the academic year contributed by Staff and Research scholars are consolidated in the form of a Research Bulletin and is released during the valedictory function of the department association. The copy of the released research bulletin is maintained in the department and is used by the scholars for their research.
